“ My Aunt Ruby, taught me many things, one she taught me how to make ice tea. But she also showed more love to ones she cared about then most people ever do! She will always remain in my heart and in my mind forever! Uncle Junior is also "The Best Uncle" anyone could ever have! Sorry we can't be together at this time. But all of you are always in my heart! Praying God to comfort all of you! Thanks Aunt Ruby & Uncle Junior for all the wonderful memories! Love to all of you!

“ I have so many wonderful childhood memories with the Reese side of my family. My memories of Aunt Ruby and the love she showed to me will always be so special to me. She was always so patient, kind and loving to me. She made me feel so special, when she would see me she would always call me over to her side and talk to me. When your just a kid in a sea of adults, that is really something. My prayers are with my precious Uncle Junior and all of their children, grandchildren and great-grandchildren. You were all so special to her, she had so much love to give all of you and you could tell by talking to her she was loved by all of you. Miss you Aunt Ruby. May God rest your weary body and bless your soul with a glorious homecoming! I will see you again one day.

“ I have known Ms. Ruby my entire life. Her brother Leroy Southerland and Verbal McGee are my aunts and uncles. As I watched the slide slow, I watched Ms. Ruby age a little bit but her precious face and smile never changed. She was always nice to me and always gave me nice hugs. I am certain that she is enjoying visiting with the Lord and lots of family. What a great lady to remember. God bless the family.
