“ *Bernice was a special friend for many years as was her husband, Tom. We have fond memories of them and happy they are together in the hands of our precious Lord and Savior, Jesus Christ.*

*Jeannette and Doug, may you find comfort in knowing she is with the Lord, who she loved and served.*

“ *Our sweet former neighbor has finally met Jesus face to face. Mrs. Woods was a special person in our lives. We were very blessed by God to have her as a friend. God bless you both at this time. I know she is happy..*
