“ *I was saddened to hear of Ruby passing. She was a good friend and coworker. Every time I would see Ruby we would catch up on family and friends. Ruby loved her family with all she had and she was so proud of each and every one of her children, grandchildren etc. She would always talk to me about how much she missed Jim and I know that she is in the Lords presence with him and all those dear to her who have gone on before. I find that the memories that God blesses us with is a wonderful way for us to always keep those we love close to us. Our family loves you all and pray that God would bless you all with Hid comfort and peace. Brenda Mitchell*

“ *Ruby was very special to us as a family. Susan and Bliss grew up being best friends and we always felt close to her family. I remember her beautiful smile and kind nature. One of our all time favorite people.*
