“ Rucker was a great person and teacher. I spent most of my high school years either in his class or trying to talk other teachers into letting me go to his class. I give him credit for being a big part of who I have become today. He was far with us all and always made us laugh even when he was being serious and ways Bout something. Here at Augusta he taught us way more than just what he had to to get us through school. He taught us what we needed to survive in small town U.S.A. Prayers all of yall

“ He kept a lot of kids out of trouble! He was one if the best men I've ever known. Always kind, funny and always teaching us a new trick from the old days that always seemed to work better than the "new" ways of life. He will remembered and loved by our family!

“ My heart aches . Rucker was a treasured friend from pre school days at Central Baptist all the way through high school . I always felt like he was my " little brother " I know he leaves behind treasured memories for all of us in the class of "65" and so many others . Such a sad loss but there will be a happy reunion again someday . My thoughts and prayers for comfort go out to all the family .
