“ *So saddened to hear of Russell's passing. I had the privilege of working with him and Mike in the 80's and 90's at Entergy. He was always so quiet, but when I left his office, I always had a smile on my face. He always had the last word, and it usually was something funny. My prayers are for God to comfort the family during this difficult time.*

“ Mike-our prayers are with you and your family during this time of sorrow. Your father was an amazing man. We so enjoyed working together in Bald Knob. He was a joy to be around. Always playing jokes on everyone. He will truly be missed.
