“ I pray for the family but also direct attention especially, to Elizabeth. I lostmy hubby Aug 25, 2012, as a widow it's really hard at first. You have to get through the haze first, don't make any major decisions for at least a year and take hold of as much family support as possible. Write a journal of your daily feelings.....try to figure how to say your final goodbye...it takes a long time and that's ok. I still talk to my hubby today especially, if I see things he used to like or do...that's ok too. You will hurt, deny, anger, and get through it....prayers for you Elizabeth...I'm here for your support to love again....Amen
