“ Y'all may not remember me from long, long ago but I remember all 3 of you and your parents. We all lived in Brookneal, Va. before we all moved back to Halifax County. I have fond memories of coming to play at your house when we were children...So sorry for your loss...

“ I have many fond memories of Rusty as we were both members of the Class of '63. He was really smart, fun, and a genuinely good person. My sympathy to his family.

“ I was quite fond of Rusty, he was a very gentle, nice man.He took great pride in the way he tended the grounds at Pullen Park. He worked hard and always had a minute to talk while he took his break drinking a soda at the art center. May he rest in peace, and may his family find comfort during their time of sorrow.
