“ I was very young when I married Charles and Salinas' son, Nick. Salinas always treated me like a daughter and was very patient with me. She was very forgiving and good to me when I didn't deserve it. So many memories and good times with them. Thanks to everyone who took time to leave a memory. It means a lot..

“ Nick and Ann, There are times when you just don't know the right words to say--this is one of those times. Your mom always had encouraging words for me. I can truly say that she was my "Barnabas." She will be missed on "this side of heaven" just like your dad is. (Psalm 116) Love y'all

“ Salinas was such a joy to be around. Had many laughs and fun times with her and Charles when he was still with us. The last get together we had was fishing at my sisters. She kept us in tears with her funny stories. Great memories! I felt so blessed to share my Birth-date with her. Dad thought the world of Salinas and now she has joined him. Praying for the family. She will truly be missed.

“ I would like to send my condolences to the family. My Grandma, Marguerite (Bruce) Taylor and Salinas were cousins. Grandma loved Salinas. She has Alzheimer's, so she won't understand this loss. I have several memories of Salinas and Charles. It was so nice to watch the video and see pictures from a time that I remember them. My prayers are with you.
