“ Deepest Condolences to all of you. Losing my Mother is the hardest thing I have ever done. There is no one that compares to a Mom. Miss Sally was a very sweet and funny lady and I am glad that I was able to spend at least a little time with her. I felt that I knew her well because of the stories that were shared by members of her family. Thank you for that and for sharing the memorial video containing pictures throughout her life.

I wish all of you comfort and peace in the days to come.

God Bless each and every one of you.

If there is anything that I can do, please let me know.

Sincerely,

Terri
