“ Sam. I can't believe you are gone. You were good friends with Sherry in high school. I know she is sad to hear of your passing. May you forever rest in peace, and may your husband and children have the strength to go on without you.

“ We had many years of fond memories and heartfelt friendship where we understood each other. Samantha will be missed by many. I feel a great loss losing a great friend as well ex coworker as I shared hours caregiving for her mom and getting to know the family and meeting her loving husband and daughter as they came into her life. It's been a joy to know her and she will be remembered and missed.
