“ My family and I loved Wade dearly, no one could tell a story or make us laugh like Wade could. Wade also had a deep and abiding faith in our Lord and Savior and shared that with everyone. He was my brother-in-law and Uncle to my kids. Our hearts go out to Sam, Blake and Katherine. We love you.

I was told of Wade's passing today, 12/6. I have missed him for many years and thought of him as that Foster Dad that always backed me up. Especially when I challenged people with Scripture and he knew I got it right just like him! He did so love being right! He was a good Samaritan, which caused concern and I believe Tim could vouch for that the many times Wade pulled off to the side of the road to help people. Wade (Dad) did so like to tell stories. As I remember one he repeated time and time again about Wade JR'S Mom at Freed Hardmen College . He walked in a dining hall on a rainy day and asked her would you like to dine with me? And that was the beginning of that relationship. He did so love Wade JR. Your life was a blessing to us all on earth. May peace be upon you Wade (Dad).
