“ Dear Ricky, Tina, and all the family. I was so saddened to learn of the death of Sandra. I considered her a friend, and her sweet smile was always a pleasure to see. She was truly a lovely Southern lady. One very special memory I have is of our chance meeting in New York City in the summer of 2008. My brother and I went to see "Phantom of the Opera" on Broadway, and at intermission when we stood up and looked around, there she was with Miss Darden, Mrs. Pemberton, and another lady. Her delighted smile and obvious pleasure in seeing me made that event so special. We spoke of it every time we met after that time. Small world, huh?? Even in New York City!! She and Mr. Billy were two very special jewels, shining creations of our loving Father. Searcy is a better place because of them, and I am so glad to have called them both my friends. They are both greatly missed for sure!! Please know that all of you are in my thoughts and prayers at this very sad time. Sincerely, Nancy O'Brien

“ My condolences to the family. She was a kind & generous person. I have missed seeing her at Searcy Yamaha & Suzuki. It was never the same after her husband's death & her departure from the business. She will be missed. May your memories & the knowledge of our Savior comfort you at this time.

“ *Our thoughts and prayers are with you Tina , Ricky and Randy*

Sandra was such a joy of a person and I will miss her very much. I was so lucky to have a wonderful golf holiday with Sandra in Hilton Head in April and to have her as my roomie in the Turks.

We extend our most heartfelt sympathy to you on the loss of your beloved mother.
