“ *Marcia, Laura, and Chris,*

I just want you to know how much your husband/father meant to me. He gave me my first real job with Leggett's which sparked my interest in business and computers. He played a very important role in who I am today. He was such a kind and gentle sole. I have visions of him sitting with my Dad and Mr. Martin having a bourbon on a hay bail in Heaven waiting for us all to join them. What a party we will have! I couldn't imagine a better childhood than growing up surrounded by such wonderful people. I am so sorry for your loss. You are all in my thoughts and prayers.

Much love!

“ To Marcia and children: I am one of the Habitat for Humanity homeowners, and i am so deeply saddened about Sandy's sudden passing. During the process of getting my home, Sandy was a HUGE help to me throughout the entire process. He did a lot of work on my home before, during, and even after i moved in. He was always there and was always a great help to me. He always made himself available if i needed anything or had questions about the process. He was the most pleasant person to work with during that time, and i truly appreciated everything he did for me. He will be deeply missed in this community. God must have needed another angel in heaven. I pray for you and your family during this very difficult time. My heart, thoughts, prayers, and concern will continue to be with you and your family. God bless!

Prayerfully,

“ A terrible shock. It is not supposed to happen this way. I did not get to know Sandy that well; however, his quiet strength was obvious. He was a true southern gentleman.

Marcia our love and feelings go out to you and family. Sandy and all of you will be remembered in our prayers.

“ *Marcia, I can not express how shocked we all were to hear of Sandy's passing. Such a gentle sprit. It was my pressure to work with him on many Belk projects. He was a wonderful man and a great merchant. Sandy was the kind of guy that when he spoke, we all listened. We held the same position of General merchandise manager for our group of stores. Mine being Parks-Belk of east TN. May the Lord be with you and your family during this troubled times*
