“ It is important to remember that you must never double dose. If you miss a dose, don't go back to it, but continue following your schedule and take the next dose.

canadian lipitor - December 22, 2009 at 12:00 AM

B8

“ It is pivotal to change your physician about any allergies you may have and also your medical history, before getting your Lipitor prescription. The drug Lipitor also has a bioequivalent generic which is identical to the brand in strength as well as safety and is sold at a slightly lower cost.

“ You and your family are in our thoughts and prayers. Your father was pastor at my hometown church, Midway Baptist Church, and married us 29 years ago. I am happy to have known your wonderful parents. They are very special to us.

“ The name "Conner" has a well-respected, permanent place in the history of Midway Baptist Church. H.V. and Sarah Conner served Midway for some 14 years. I did not get to meet Sarah until after they had left Midway. I could never express enough thanks for the kind and encouraging cards and letters that Sarah sent me over the years. She listened faithfully to our broadcast for many years and I will always retain fond remembrances of her uplifting remarks. My sincere prayers go out to the family.

Lynn Marstin, Pastor
