“ Sandra Jean is one of the kindness and sweetest people I have ever known. She always treated me like part of the family. I would always call her "Mamma Strohl", because she was like a second mom to me, I spend as much time at Billy's house as I did my own. She's with Jesus now and I will always have my memories of her. I truly wish I could have seen her one more time to thank her for everything. My Thoughts and Prayers go out to you Billy, Melanie, and Deana, I will miss your mom very much. God Bless Mamma Strohl and her Family.
