“ *My dad was the BEST. None of his flaws could ever outweigh the amount of greatness he brought to MY life at least. Everyday was a good day to him even when it wasn't , you never knew. Time and time again he gave the shirt off his back to many around him. He cared and took care of anyone he loved or called a friend. He may not be with us physically but will forever live through our hearts and minds daily. I am over joyed to have called you and will always call you DAD . Your legacy continues daddy. My Heart.*
