“ Shane was a wonderful soul. I had many talks with him before I left to go to California and I am honored that I was able to spend the time with him that I did. The talks we has were heartfelt and he loved his kids with all his heart. I know he flies high with the other angels.

“ I worked with Shane on the pipeline over 10 years ago for Sheehan. Over that time we became pretty good friends. In my opinion, Shane Fritz was absolutely second to none as an excavator operator - put simply he's the best I've ever seen. He had a knowledge and intensity for the work like nobody else and it served to make the men around better as well. But more than being an outstanding hand - Shane was a very decent person: A family man that cherished his family. I'm surprised and very saddened by his untimely passing. Even though I haven't seen a Shane in over 5 years I know that I'll miss him forever.

“ I was so very sad to hear of the passing of Shane. We were classmates at BKHS for many years and graduated together in 1991. He always had a smile on his face. He was a special person and a dear friend, who could always make me laugh. My heart and prayers go out to his parents and grandparents, as well as Brent and Kelli (and nieces and nephews), his children (and granddaughter). May the Lord comfort each of you during this difficult time as you make your individual paths through the grief that lies ahead. Lean on the grace of the Lord.
Sincerely and In Love, Natasha Thacker Richmond
