“ I never encountered Shane without a smile and a hug, not only just a hug but a big hug. He would settle for nothing less. Always positive and spreading a positive attitude. He passed his GED on the first try and whizzed right thru it. Very intelligent and quick. Loved to encourage others and tell them that everything will work out. That smile is forever carved within my mind. Loved his family. Easy to talk to. Dressed to kill always was about the women. Very handsome. Had hopes of one day being a missionary for the kingdom of God. Loved Toby Mac. Its not goodbye just see you later.
