“ *Nonnie, Courtney and Family*

*You must know that you have been the best sisters of ALL! What a comfort for Shelly. You sister was soooo full of bubbles and I'd e willing to bet that she is just as full of spirit in Heaven. May you find peace in the fact that she is in no pain and find happiness in the fond memories you have of Shelly and your times together. Prayer, your memories and time will soften the anguish. I know our sister will never be forgotten! Look for pennies from heaven, they are for real. Still thinking of you and your family. God Bless and Hugs,

“ *My thoughts are with you all during your time of grief. My last visit with Shelley this summer brought back such wonderful memories of Shelley and our younger days when we played together near our Halifax homes. Whether it was spending the night with Emelyn, picking cherries from the neighbor's cherry tree or playing softball, it was always pure fun with Shelley around. In July we did reminese about those times and laugh and laugh.*

Shelley will be in my heart with that infectous smile on her face. That is what I will remember, the good times and the laughs.

May you all be able to laugh again soon and celebrate the incredible woman she was.

My love to you all.

“ To the family,

Shelly was a beautiful woman, as was her mother. I wish to extend my sincerest condolences to you all.

While my contact with Shelly was limited over the years, I remember her clearly and it is tragic that she had to leave us so soon.

The world is a little less bright today.

Sent with all my love and sincerest wishes.

“ Within the last 6 months I,too, have lost a loved one, my daughter... what a lonely place to be. And, having met Shelley about 8 years ago, we instantly had a connection...one of "Peace". I would like to think that now, Shelley is wrapping her arms around my daughter..in fact, I know that has happened. And, they have found the peace and security that we all strive for.

To all of the Family, know that you are in my prayers.
