“ Terry, I am so sorry to hear of the loss of your mother. I just got the news about 10 minutes ago. I am very sad that I did not get to come to visitation. I would like very much to come by and pay my condolences in person, I do not really believe in emails for that purpose. I Know Andy and Tracy are solid as a rock for you, and believe me , you will need that.I never met your mother, but know she had to be an extremely sweet soul. I wish I had known of her loss before today. I will call and try to come by and visit with you and Andy and Tracy soon. Again, I am so sorry but like my mother she is in a much better home.
