So sorry it took me so long but I have been thinking of all of you and I am sending our deepest sympathy to all of you. I have really fond memories of all the time we spent together and really enjoyed being around your mom and dad. My mom and dad don't do computers so they wanted me to send you their thoughts and prayers to you also.

With sincere sympathy,

“ Dear Karen, Mike, Pat, Steve, and Eric and All the Family,

We are so saddened to hear about you Mom's death. Her and your Dad's friendship meant so much to us. I hope you never forget us and come to visit whenever you can when you come up this way. Your parents were so proud of all of you, and you were all so good to them. We had so many good times together. My heart hurts knowing she is gone, but I know God has a plan for all of us and she suffered so.

She was my dearest friend.

Sitting here with tears rolling down my cheeks, I think of all of you tomorrow. You are a strong family, stay close to each other and be good to each other. Family is the most important, precious thing you will ever have. Jim, John, and Bob send their love. Your Mom was so good to me when my boys were born. She and your Dad were so good to them.

We love you all, your families, your aunts and uncles.

We will be thinking about you tomorrow. God Bless you all.

Our love, Marie, Jim, John and Bob.

“ So sorry to hear about your Mom, will always remember the golfing days at Venango Valley, your Mom probably never quite laughing after the night that I tried to hit the ball out of #2 pond (at Paul Pontillo's) suggestion,

With sincere sympathy
