“ You are one of those friends that if you don't see for 20 years and see each other in Walmart or the gas station you would light up and run to give me a hug!! I miss you so much even though we didn't stay in touch. You are one of the reasons school was so much fun!!
Love and miss you!!

“ Sid, Mary, and Katie,
We are so saddened to hear about Sid and feel so helpless to lift your grief. Mary, you will never know how much you ministered to me during a dark period of child rearing and you gave me such comfort. Your whole family is a blessing to know and we ache for your loss. Liz Barton
