“ *So sorry for the loss of such a sweet person. I was so glad to meet her as John's mom and find out that there was a bit of a Hensley relationship there. We always enjoyed talking about John and our Hensley kinfolks. I introduced her to my Dad one day when he was getting blood drawn. He had stories to tell her!!!! He passed away on June 13. He was 93.*

“ Louise, Tommy, Daniel and families - Our hearts are hurting for you all as you face this incredibly devastating loss of such a loving, wonderful, caring and kind person, daughter, wife, mom, sister, aunt and friend. Looking at this beautiful face and gorgeous smile, I think not only about the joy she is bringing to her Dad, sister and all the other relatives she now greets in heaven but also the tremendous joy she has given on earth for her all too short 48 years. May God be with you all as you face each new day without her - though she is not here - her spirit will remain always and the amazing memories you have of her will never fade. May God give you peace and comfort and help ease the pain you feel. Many, including us, are praying for you and surely thinking of you during this sad and difficult time. We know she made the world a better place just being in it! With Heartfelt, Deepest Sympathy, Bill & Val Hobson

Louise your home was my second home growing up. Stacey was like my sister. We did so much together grown up. I know Stacey is rejoicing with Archie and Leslie. My love and prayers are with you all .

“ *I don't think I ever met Stacey, but coming from a dad like Archie and marrying Tommy, she had to be a good person. My heart goes out to Tommy and the rest of the family; she was much too young.*
