“ *I will miss sitting at my kitchen table having coffee with her every morning. We just sat talked about girl stuff. I will miss sitting with her on the front porch waiting for the kids to get on the bus. She could always make me laugh, even on my lowest day. I miss her hugs, her smile and the love she had for her girls and husband. She had the biggest heart and the sweetest spirit. She was more than my sister in law. She was my best friend and sister by choice. There will forever be a hole in my heart and soul without her. I love and miss you Starla. Fly high baby girl.*
