“ It saddens me so much that such a young life was taken. Starlet was such a special child that I had the privilege of knowing for many years. I know that she had such grand plans for herself and and saddened that she will never get to see them through. I take solace in knowing that she will live forever in our hearts and in our memories as long as we all live....We love you Starlet Dawn...I will never forget you sweetheart

“ My prayers go out to the family. Starlett was a very smart and thoughtful young lady. She was in my Spanish Class last year. I can remember the last words that she said to me in passing, and to answer her again, I care. I really do care Starlett. You will be missed. I know you are looking down on us smiling (no more pain).
