“ Sterling was a sweet man who always had a smile on his face. I always enjoyed my visits with him. He took care of everyone on Teresa Circle. I will miss him dearly.

God our Father,
we thank you that you have made each of us
in your own image,
and given us gifts and talents with which to serve you.
We thank you for Sterling ,
the years we shared with him,
the good we saw in him,
the love we received from him.
Now give us strength and courage
to leave him in your care,
confident in your promise of eternal life
through Jesus Christ our Lord.
Amen.

“ I'm so sorry about your Father He was a big help to may Mother Wanda Higginbotham and Mom was so excited to go and be with him. All the way down she talked about Sterling and the memories of when they worked together. I just hope you understand why I couldn't leave her down there is is a diabetic and I needed to see that she take care of herself and I know how she was when my stepfather died in Oct. Your Father spoke to me as they was taking him out the door he was a very handsome man. We will be thinking about all of you through your time of sorrow. He has gone on to a better place

“ We became closer to Sterling when he had heart surgery, Hazel already attended church with us. Sterling became the most upbeat guy we knew after surgery and one of the most faithful to church. He was a great guy. He is at his final destination, with Hazel in Heaven. The family can have peace in knowing Sterling is happy with his new address.
