Steven Craig “Stevie” Bailey, age 58 of Searcy, entered the portal of heaven at Unity Health – White County Medical Center in Searcy on Friday, April 14, 2017. He was born May 29, 1958 in Searcy, Arkansas. Stevie attended the Sunshine School from its beginning until his health no longer permitted him to attend. He was a faithful member of Temple Baptist Church until he became unable to attend. Stevie loved fishing, camping and traveling. He vacationed from the Smokey Mountains to the Rocky Mountains, from the Gateway Arch to Disney World, to the white sands of Gulf Shores, including many trips to Branson. Stevie leaves to cherish his memory his mother, Gloria Shadrick; one sister, Jamie Brumley and husband Jimmy; one brother, Michael Shadrick and wife Serita; father, Howard Bailey; half-brother, Howard Bailey, Jr.; nieces, Teah Thrasher, Renee Benton and husband Justin; nephews Cole Brumley, Robbie and Michael Fikes; great-nephews, Brycen and Tucker Thrasher, Trace and Kasen Fikes; and his special friend, Kandi Carbajal. He was preceded in death by his daddy, James Shadrick; one infant brother; and his grandparents, Bill and Iree Durham and Doyle and Verla Bailey.

Stevie’s family would to give their heart-felt appreciation to JoAnn and Brooke, nurses in CCU, and nurses and aides on 3 East, especially Barbara, Nicole and Tami, for their compassion, care and kindness for Stevie. And a very special thank you to Sherry Wells and the Hospice care providers. You helped us through a very sad part of our life.

“ I never had the pleasure of meeting Stevie. But I know from what my family has told me that he was one of God's most precious & strongest angels. I'm sorry he is gone, but am happy that is relieved of all the pain & adversity that he faced here on earth. May he rest in peace. My heartfelt love & sympathy to Gloria, Shad, Serita, Teah & all the rest of his family.

“ I consider it an utmost honor to have the opportunity to be the vessel God used to care for His precious Stevie even for just a few days...but Ms. Gloria, you were a vessel for God's love to Stevie for his lifetime. I know He is pleased with you and now has blessed sweet Stevie with his perfect body. Please be comforted in knowing that you did a wonderful job in caring for the gift that God gave you and one sweet day, we will all meet on that wonderful shore!

“ Saddened yes, because he leaves behind loved ones that will grieve for him. Happy for him. YES! Because for the first time in 58 years, he's walking and talking with happy steps and clarity of words, with friends and family and his friend, Jesus. Prayers for Gloria and for my first cousin, Howard. Gloria you fought hard to keep him in school and I admire you for that. It was the highlight of his days. Howard when you'd take him to Kensett First Baptist Church, he loved every minute of his weekend's with you. Thank you both (and Daddy James too) for being chosen by God to be special parents for Stevie.

“ I am retired now but I was a nurse on 3 East. I took care of Stevie many times. I want to say with all his physical problems ,it was obvious that his mother had taken good care of him. Anyone would be blessed to have a mother that was so attentive. The love between them was so visible. I believe Stevie will be walking and enjoying his new body in Heaven.

“ I remember Stevie from the First Baptist Church in Kensett, from the time I was very young, but I didn't realize that I knew his family, as I believe he lived with his grandparents. My condolences go out to them all.
