“ Dr. Lee was one of the kindest people I have ever known. I am honored to have had the privilege of working with him and becoming friends with him. I am forever grateful for what he has taught me over the years. He was an excellent physician, a wonderful, loving father and a cherished husband. I know he is at peace now. I will truly miss him.

“ Dr. Lee was a caring and dedicated physician who affected thousands of people in South Boston, Halifax County, and the surrounding area for many years. I first met Dr. Lee in our local emergency department, and worked as a registered nurse with him for 16 years. I was also lucky enough to be welcomed by Dr. Lee into his home due to our shared interest in computers. Dr. Lee was always a gentleman and a friend, and his family is a credit to his intelligence and abilities as a father and husband. My wife and I will both remember Dr. Lee fondly for all he did and shared with us over the years. We will continue to pray for his family.

“ Dr. Lee was a good Doctor, he was always nice to me, when I worked at the switchboard, and when I saw him in the ER as a patient.
My sympathy goes out to Mrs. Lee and all the rest of the family. Keep your eyes on Jesus, he will give you peace.
