“ No words to express the sadness I have now, but i will remember ALL the fun we had as kids growing up best friends. So many times on the horses, at night, swimming in the creek, camping, fishing, ball practice when it was 102 and we had to ride bikes to get there. Getting married to our husbands, having our 2 oldest children at the same time. It was just a friendship to be forever. Always being there for me for whatever reason. I will miss you so much, love ya girl.
