“ *It's been 2 years,2 months, and 23 days. I know you've seen everything from good to bad, But a lot has happened since I last went to South Boston. I've moved in with my dad. I've gotten a dog,I've made it through middle school (Almost). I tell you everything that's been happening day by day. I just wish you were here. I know you'll always be in my heart. I miss you so much. But, Heaven's got the best Angel there is to have now. Watch over us. Love, Nonah*

“ Do not stand at my grave and weep,
I am not there... I do not sleep.
I am the thousand winds that blow...
I am the diamond glints on snow...
I am the sunlight on ripened grain...
I am the gentle autumn rain.
When you waken in the morning's hush,
I am the swift uplifting rush
Of gentle birds in circling flight...
I am the soft star that shines at night.
Do not stand at my grave and cry—
I am not there... I did not die...

“ I am sorry for the loss of a wonderful woman whom I loved dearly. I
know she is in a much better place and the suffering has finally
come to an end. I hope that in the gaining days, the family will gain
comfort.

“ Please know that our thoughts and prayers are with you all. The world is a little less bright with her passing but heaven has another angel. May the good lord comfort you in your time of grief.

*An old irish blessing for you;
Remembered Joy
Don't grieve for me, for now I'm free!
I follow the plan God laid for me.
I saw His face, I heard His call,
I took His hand and left it all...
I could not stay another day,
To love, to laugh, to work or play;
Tasks left undone must stay that way.
And if my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss...
Ah yes, these things I, too, shall miss.
My life's been full, I've savoured much:
Good times, good friends, a loved-one's touch.
Perhaps my time seemed all too brief—
Don't shorten yours with undue grief.
Be not burdened with tears of sorrow,
Enjoy the sunshine of the morrow.*

“ *Seems we are all getting closer to our end here on earth. The finality of death starts to sink in when on so young leaves us. The memories you've created will live on inside the people that loved you and with those that you loved and the lives that you have touched. Rest in peace Susan.*
