“ I have so many, many wonderful memories of Susan. A few in particular really stand out as special times. I shared a song for her on my facebook page - something that reminds me of Susan when I hear it. I recall us taking a road trip one night from SOBO - to Roxboro - to Danville and back to SOBO and listening to that particular song over and over. That was so many years ago, but not so long either. I also recall us spending our high school graduation night out together (probably getting into something that we shouldn't have, but have a good time doing it!) She has left us much too soon. She was a great friend and my heart goes out to you all. I will continue to treasure the friendship I had with Susan and smile when I think of her.a

“ I'm deeply sorry to hear about the passing of Susan. Susan and I met in high school during PE. She always displayed a beautiful smile and an fabulous disposition. I still have a picture of her and Alonzo Brandon sitting on the bleachers during PE. Please let me know if I can do anything for the family. May God grant you strength, peace, and comfort during this time and always.

Love and God Bless,

“ I just learned of Susan's passing on Monday. I am so sorry to hear about it. Susan was a great person. So loving and caring. We had nothing but good times together. She surely is an angel now. Be blessed and continue on in her name Glen and Harriett. She is greatly missed.
