“ Suzy was the first babysitter that I remember that my parents (Herman and Dorothy West) got for my little sister (Kristina) and me when we moved to Searcy in the early '50's. As a young child, I thought that Suzy was the most beautiful girl in the world.....and, she turned out to be one of the sweetest! I have such fond memories. My thoughts and prayers are with you.

“ Losing Suzy is actually a loss for the whole community. She was always so cheerful and so willing to help people. She was a friend to me when I first moved to Searcy Arkansas and my children and I loved visiting her and her children. Kids played and Suzy and I visited and we all gained from the relationship. She will be missed by all of Searcy and White County. My prayers are with the family.

“ Suzy was always such an upbeat person, and I always enjoyed visiting with her in person and via phone. I recall one day several years ago when she stopped by my office at First Baptist. She had just finished a lullaby recording for her grandchildren. I thought that was such a lovely thing to do. What a treasure!! I will miss Suzy and her sweet smile. Linda Stake

“ I am so sorry for your loss, my deepest sympathy goes out to you girls and the rest of the family. The few times I have been around Suzy her presence was always such a blessing to me. The acceptance, kindness, and warmth she radiated towards me and everyone around her was such an inspiration and left a lasting mark. May God be by your side as you go through this difficult time.

“ I am so sorry for the loss of your dear mother. I have such fond memories of her and I pray that each one of you will find comfort in your memories. My aunt that is in the nursing home in Searcy adored her too. Your mom would come and sing to the residents and they loved her so much. Searcy has lost one "classy lady"!!!

“ I am very saddened by the passing of your mother. Your parents were very dear to me. We have lost two great people, and heaven is now a better place because of the Hartsfields' arrival. May God grant you peace and comfort.
