“ *Sylvia is one of the most precious people I have ever known. Everyone loved her and I don't think she could ever say anything bad about anyone.*

She is my Mom's sister and I Know they are all celebrating in Heaven together.

The days ahead will be hard but just keep remembering Sylvia is home and happy.

And someday we will join them there, I know she wants all of her family to serve the Lord and join her around the throne when it is their time to leave this earth.
