“ Dear Butch and family, we are so saddened to hear of the lost of your mom. She was a beautiful person, fun to be with and a dear friend. Though many years have gone by since we last were together, fond memories we have. I remember when she was our Little League team's "Team Mother" and all the hard work she did contacting parents and organizing our team picnics, etc. Love, George, Scott, Dana & families.

“ I am blessed to have had Sylvia as a friend for almost 40 years. No one will ever be able to replace her. Sylvia was the friend who would get out of bed and drag her husband to Toys R Us after midnight to get Holiday Barbie for my daughter, more than once. She made all my kids Halloween costumes, because I never did figure out how to thread that sewing machine. She'd bake 2 kinds of banana bread for my kids, with nuts for my son, without nuts for my daughter. No playing favorites there! She would go to the mall with me and my 2 year old son to buy shoes for him, because no one else would go!! Once we talked her son David into going with us, an experience he never forgot. Sylvia was the friend I could call collect, and did, from the hospital in the middle of the night because I was lonely and scared. She was always there for me. She'd stop at the grocery store before work and bring me chicken noodle soup for lunch. Whenever she found new beanie babies, there was always one, or two, or more on my desk. She let me put my desk nose to nose with hers, so when my desk got full, I could push a few piles over to her desk. I truly believe there was nothing Sylvia couldn't fix or figure out. I had Sylvia on speed dial! She answered so many of life's questions for me, like, how do you make beef bourguignon, or, why aren't my lilacs blooming? I depended on her daily in the classroom, where she was loved by each and every student. She made a difference in so many lives. Sylvia, I hope you are rejoicing in Heaven today with David, Jess, your brother, your parents, and so many others who love you. So many precious memories, so many laughs and tears we shared. If I had to choose one phrase to describe Sylvia, it would be "Angels Among Us." I miss you, dear friend. Save me a place.

Sylvia was a special lady to our whole family. She definitely adopted both my brother and me, and did so much for us that we will always remember.

as a student of Mrs. Clark imp at liberty to say a few words, let's see I'm 53 and zoe 52, just to give an idea and put things in prospective of how we became a family, I can't help to think about her side-kick Eva. But I can remember Sylvia bringing her son to school and he would play with me regardless of my disability.... for May years she would feed me lunch and did my personal needs. For all intents purposes she was my mother at school, with countless conversation held in the bathroom. I guess I had a lot of growing pains. Sylvia thank you for being the teacher aid there, may you go rest in peace
