“ The first time I saw Tammy was in 1969. She was a little sweet blonde girl, who grew up to be a friend for life. She went through some rough times, but always knew Jesus was by her side. MAY God be with all of the family. My prayers are with you, during this tough time.

“ I met Tammy as a contract Rn. She showed a sweet spirit and compassionate caring soul. I will truly miss her. I know the many patients and staff she touched in her time here would want her family to know how truly beloved she is to us. My prayers are for the family and I look forward to seeing Tammy in heaven with our Lord.

“ Approximately a year ago we had the honor of having Tammy come to work for us as a Travel Nurse. Immediately you were able to identify a very humbling, sweet and cheerful spirit in the person of Tammy. She left us for a brief period going to another assignment only to return back to us months later. Tammy was always, always, a very cheerful spirit when she came into the office. She had a spirit of willingness and one of providing the best care to her patients. We were so sorry when she left us going to California and are deeply, deeply sorry to hear of her passing. While she will be missed here on earth, the Father has called home another angel. I say anyone who had the priviledge of meeting this kind spirit could only have been changed in their own spirit. I recall her coming in asking "where's my scripture for the day", always with a smile on her face. Absent in body, present with the Lord. Tammy, thanks for sharing your time and spirit with us. You will be greatly missed. RIP my sister...we will be together again.
