“ I am so sorry. My thoughts and prayers are with all of the family. I remember her and I being pregnant together. I have a picture of us. She peirced my daughter's ears and the gun got stuck in her ear we all just looked at each other and just knew that Tanya wouldn't be able to do the other one but she let her do it. I am glad to have known her and that she was part of our family and she will be greatly missed.
