“ I remember Keith. He was smart and very funny. I loved being at drill with him as a young medic in the National Guard. He was getting educational VA benefits and used them wisely. Rest in peace my good friend.

“ Just thinking of the only person who would be my brother. Eight long years have gone by my amigo. You left way too soon. There's still rabbits for Bumpers to run, squirrels only you can spot in the leaves and racoons for Thunder and Red to tree..... I miss you. Bud... Keep an eye out for me....
