“ Our condolences to the family of Terry. I knew him when he worked for AT&T(Southwestern Bell). He was such a nice guy and he was friends with my ex-husband due to working together. He will be missed and not forgotten. He actually gave me my first cat that i ever had. RIP Terry and fly high with the angels until we meet again.

“ I bought the 73 Firebird and loved it. But one day I had to replace my starter and yep got it out of course with Terrys help and took it to Whitlocks and switched out. Terry left me to put back in... Haahaa well dad got home and oh boy I gave the bolts back with the starter and had to go back and get dad was like how did you get it out I said well I called Terry and I told him I could put it back together. Haahaa on me needless to say Terry came back over and helped my dad. I miss my Firebird and will miss Terry. Oh I have so many more stories but my Firebird I bought was my baby!

“ I have a lot great memories with Terry. We worked as dish washers at a chicken restaurant called the “Plantation” we were pretty young I was 13 years old when we started. We ran around a lot and always had a great time. We rode dirt bikes together and worked on them together, we played on our church softball team for Elpyco Church of Christ, shooting, float trip down the Illinois river, youth trip to passion play and some pretty fun cutting up with good hearted shenanigans. Terry has a great family some of the best you could ever be around and I will always think of him as a brother and proud to call him my friend. Love you brother, Rest In Peace until we meet again.
