“ *Diana,*
I was out of town and didn't hear the news until Sunday night. I lost my Mom at the end of January. We were able to keep her at home but it was constant care. I know a little about what you have been through. I thought I was ready to let Mom go since she didn't have any type of quality of life, but it is still hard. It took several weeks of not knowing what to do with myself and my time. I pray that you have peace knowing that your Mom is in a better place now. It has been hard for me to go to Byrd Haven to see my Aunt because she and Mom look so much alike. That is why I haven't seen you in awhile.
