“ Phyllis, I am so sorry for your loss. God took Tommy way too soon but he knows best and there is sure to be a reason. You two were a real couple. I enjoyed getting to know him a brief time while you two were attending the AASCOE conventions. God Bless you each and every day to come.

“ I am so sorry to hear about Tommy. I have been out of town and just learned of his death. Tommy always made me smile and laugh. You could not be around him without feeling like life is good. When my husband met the two of you at the hospital on the 29th for my surgery, he talked about what a nice couple you were. I can still remember Tommy making me laugh as we were both getting ready for surgery! God is with you as Tommy is now with God and his family that have left before him. Tommy made a positive mark during his earthly journey and I am sure he made a lot of people feel that life is good! We all go back to the first grade and we will all be together for eternity!
