“ *Dear Uncle Tim,*

You were far too young to leave this earth. I rest on faith knowing you are in heaven with our Savior and at peace. I look forward to the day we are united as a perfect family. Blessings to our family and courage.

“ Dear Dad,

I can't believe how fast time has flown by! I am sitting here thinking of the many fond memories I have with you. Like the time we went to Talladega with Uncle Mike and Diane, we were having a blast when the big drunk sow cow fell on uncle mike, I must say that was pretty dang funny. I remember all the times you tried teaching me how to drive in the JC Penny's parking lot, and then you finally got brave and let me drive around cloverdale lol. I will certainly remember you letting me take your new dodge out for a spin when I was 14 lol I don't think that was such a good idea looking back on it lol. You are the person I have always wanted to be in life. You have always had an outstanding relationship with God, one that I would love to brag about to the world. Your personality could light up a room. If anyone ever wanted me to list a perfect person to call dad you would be the one. I love you so very much and I want you to know that everything is going to be alright. You have so many people praying for you! People from Lebanon, Columbia, the Philippines, and even here in your own backyard. Just wanted to let you know how much you mean to me and everyone else.

*Love,
Chris*
