“ Sending our very deep sympathy to your family. There are no words that can ever take away the pain of missing someone that is deeply loved but please know that others care about your loss. Daily may God (Ps.34:18) and your loving memories help as you try to cope.

“ We know Timmy because he worked for the city of Searcy and is who we called when we needed the 'Boom Truck' at our Sowell's warehouse. He would come as soon as he could and would have our parking emptied in an amazing period of time! He usually made time to report it that the job was done. He became a good friend to all of us at Sowell's Furniture. He was a good man and he is greatly missed by our staff at Sowell's.

“ Wow I was so shocked to hear of this tradgedy and it left me numb inside and lost for words. Timmy was such a wonderful man and always knew how to make you smile. I'll miss all the little messages that he sent to me and and the beautiful kinds words he said to me. I will also miss him driving by my work and honking the horn in his company truck or going through mom's apartment complex and honking and waving. I remember when the time we all got into trouble at school LOL. I'm gonna miss you Timmy more than words can say Go Rest High On that Mountain. Prayers for this family may God give you strength and comfort during this time of sorrow and the days to follow.
