“ *Tina taught my very first CE class in 1995 - scared me so bad I almost decided not to stay in real estate! She definitely knew the real estate career frontwards, backwards, sideways, and every which way! She was also a lovely lady and will be missed greatly. Her work on earth was done.*

“ *Walt and family,*

I always loved Tina's RE classes and felt so welcome at the Lake House in Hot Springs where I took most of those over the past 9 years. She was a warm, funny, kind person and a dynamite instructor. And she always made you feel like a friend! She's a huge loss to the RE community and this world. God bless you and comfort you at this time. Marilyn "Janie" Myers

“ Walt, because for Tina Del and I have maintained an active broker's license of many years. Her ability to make "dull" stuff interesting always impressed us. Her ability to share your personal experiences always enhanced the material. We are sorry for your loss and for the loss to continuing education in real estate,
