“ To my dear friend Tina,

I'm sorry that we were at different places in our lives when we first met. You always saw through my bad-boy facade and saw the good within me when I didn't even see it in myself. We have shared a many of joyous days and unfortunately some not so joyous ones. Gracefully, GOD placed us in each other's life to ensure we had someone to share them with. I pray I was able to enhance your life through our friendship as much as you did mine. I am grateful for all the times you were my rock to lean on for support. Your journey here on earth has ended but your Heavenly Journey has just began. Go hug Tyler for us all and please look over each of us from time to time as you enjoy being in the presence of GOD.

I miss you already my friend!
