“ I know most of you do not know me; I went to school with Tina at Cluster Springs Elementary School. We were best friends. I would stay all night with her and we would listen to her enormous stack of 45's. We use to listen to a silly song” Kooky Kooky Lend me your Comb???? I don't know why I remember that song. I remember when her Mom got the double wide. She lived near her grandparents who had a lot of chickens. I lived on Millpond Rd. I was forever in love with Randy Clem. Tina and I use to wash or hair in Herbal Essence shampoo, we experimented with make up and the blue eye shadow stage was the thing? We ate Moon Pies and drank RC Cola's in the top of the fire tower in Alton. She introduced me and hooked me on TAB soda. I remember her Mom as being so cool and Tina's brother, they had your typical brother sister relationship. I moved away at the end of my seventh grade year. She stayed at my house the night before I left. I always wanted to come back to see Tina again. We were young girls with out a care in the world, untouched and innocent. Our biggest worry was what to wear. She had such pretty curls in her hair and was so sassy. We were so connected. She was my friend and we would talk every day, share clothes make up and giggle a lot. I am so very sorry for your loss. It is with great difficulties to find this out through F/Book. I was so sorry; I knew I would have to wait until another day to see her smiling face. I will, we will. Please feel free to contact me. There is so much I would like to know. I know how much I loved her and what a special place she held in my heart and childhood memories. A piece of me went with her. When I see her again, I know she will have that beautiful smile and an ice cold Rc Cola for me. Please accept my condolences for the loss of your loved one taken from us all to soon.

*She will always have a special place in my heart.*

*Tina I was blessed to know you,*

“ Chris I'm so sorry for your loss. I did not know of Tina's passing until day before yesterday. I remember Tina as that cute, bossy, little cousin down the street. Seems like yesterday. Sorry Joseph, we have never met. Tina picked you, I'm sure you're a great guy. All I've every heard about Brook was Grandmother and Mother's proud remarks. Look after your Grandmother, she has always been the sweetest aunt. I remember before she and Uncle Wayne got married, she was such a beautiful young lady.

“ My condolence goes out to the family of Tina. I remember Tina as Tina Waskey. We were childhood friends in the first grade. I remember we wore the same dress to school one day. We both thought we were really cute. Rest in peace Tina!
