“ *We sorrow with you on the passing of your mom. I have so very many memories of her and you folks at First Baptist Church - Haltom City. She was a marvelous lady and developed into a great teacher in our Christian School. Her life affected many here in our church and school. On a lighter note, I will never forget visiting her home for the first time and her greeting me at the door without her wig. Sure surprised me! We loved her and love you folks. May the Lord give you grace and strength as He fills the void in your life left by her passing.*

I was just amazed to read of Toby Putzey's passing. Believe it or not, we went to grade school together for a while (James Monroe in South Bend, IN). I now live in Cabot, Arkansas and was even more surprised that she had ties in Arkansas. I've lived here my entire married life (nearly 50 years). You just don't forget someone named Toby Putzey! Judging by her picture, she looks great. God rest her soul. Sh Sherry Kronewitter Little
