“ Coach Carpenter was one of the most wonderful teachers I have ever had. I didn't get to know Coach until my Senior year and I had him for my Algebra Class. First math teacher I ever had that a light bulb finally turned on and everything he taught made perfect sense. I enjoyed all of our conversations in class and a real down to earth man. I really appreciated him taking the time to teach us and care about it. He will be greatly missed.

“ I was on the girls Jr. High track team when we were in the 9th grade located at the Jr High School. Coach C started teaching in Searcy that year. I remember his laughter most of all. He taught me so many things about physical training and life in general. He was so proud of all of us girls, especially when we received our letterman jackets and three years later our blankets. He even went to the boosters on my behalf when I injured my knee a few days before district and was thus disqualified from receive that blanket. I treasure that, and the many lessons I learned from him. I will miss him deeply.

I just recently came across the news that he had passed away. I wanted to extend my prayers and thoughts to Mrs. C and their daughter. Your husband and father meant a great deal to me and I think of him often.

“ Coach Carpenter was a great person and great coach. I was lucky enough to be on one of the first teams he coached in Augusta. After high school and college, I moved to Searcy where I found him again. This time he was coaching basketball and later he became the athletic director where he got to know my son Jason. I talked to him many times at sporting events. I enjoyed his conversations. The last time I talked to him I asked him how he was doing. He said "I'm doing alright. I'm gonna play golf everyday as long as I can. I love golf."

I am sorry I was out of town and could not be at the visitation and funeral. I will not forget him. He will be missed.

“ To my dearest Arkansas family,

The words cannot express the sorrow that I feel today as I found out that cousin Todd had gone to be with Jesus on the 31st of January. He will be greatly missed as he was greatly loved by all of our family. I always enjoyed going to family get-togethers at Aunt Dorothy's when Bill, Gladys, Cynthia, Tracy and Todd could be there. Although we didn't see each other often as we were states away, our heartstrings were tied together with that special word FAMILY. Please know that I send my deepest sympathy to each and every family member. May you find comfort today in the beautiful memories of Todd's life here on earth, he lived a Galatians 5:22 life filled with those precious gifts of the verse. I will forever remember his smile, his laughter and joking, as well as his gentle kindness. He always made me laugh when he would say my name in his southern accent! Please know that I hold you close to my heart and lift you up in prayer as your loss is very great. God has a special man in his house today in Todd Carpenter. May God's Word bring you strength for today and bright hope for tomorrow. We love you.

Todd was the new football coach and I was the new girls basketball coach at Searcy JH, it was my first job and Todd was always there to help make each day at work a good one.
