“ Todd was a very kind, helping man. There wasn't going to be anyone needing anything as long as he could help it. He was like an Angel to so many of us. There's still not a day that goes by that I don't think about him and miss him

“ My brother was a beautiful person, a child of the most high God. God must have had something for you to do in Heaven because we sure didn't have enough time with you here! I know that if He needed you in His army you would be first in line because you love the Lord and shared about Him with everyone you knew! I miss you every minute of every day! Love you my brother see you in Heaven!
