“ Kim, Mandy, and family, My heart breaks for your family. Cancer is such a cruel disease. Stuart Scott said it best, "When you die, it does not mean that you lose to cancer. You beat cancer by how you live, why you live, and in the manner in which you live. So live, live, fight like hell. And when you get too tired to fight, then lay down and rest and let somebody else fight for you." Tony fought a hard fight and I know that he is up in heaven with Patsy looking down on all of you.  
Blessed are those who mourn, for they will be comforted. Matthew 5:4
