

## Tracy Ann Patterson

December 1, 1970 - June 17, 2022

Tracy Ann Patterson, 51, of Pangburn, passed away on June 17, 2022. She was born on December 1, 1970 in Chicago, IL to the late Donald and Jacqueline Patterson. Tracy enjoyed fishing and going on hiking adventures and taking her dogs, Jr., Noopy, and Bit along. Anytime she could spend with her sons or grandkids she always took the chance. She worked retail merchandise across the nation and traveled a lot, always doing and seeing as much of wherever she was when she was not working. She also enjoyed being somewhat of a homesteader living off the grid, collecting scrap metal and finding all kinds of cool treasures along the way. In her spare time she enjoyed her TV shows and movies.

She is survived by her sons, Murphy Hensley and Zach Patterson; brother, Donnie Patterson; sister-in-law, Crystal Wagner Patterson; daughter-in-laws, Loressia Hensley and Cristina Newman; grandson, Westyn Hensley; and granddaughters, Brynleigh Hensley and Emersyn Hensley.

Tracy is preceded in death by both of her parents.

“ I knew Tracy only virtually, and yet I feel as though I knew her more-her personality so came out in her correspondence and work. Her work for our company on DuPont's Great Stuff program was consistently absolutely superb and exemplary. I came to know her as I did through our work-related correspondence, and yet I came to know of her move from Construction to Service through her love of her elderly dog, and we came to be fellow dog lovers. She had only recently personally informed me of her elderly dog's death. Her photo speaks volumes of her personality which came out in her correspondence and even in her work. She genuinely made the day and more for our Vice President of Operations by sharing with us how much it meant to her to look for our Top Performers list issued every Friday morning, which she was on consistently not surprisingly with zero-percent issues. I did not know her exact age, but seeing her age here, my own age, grieves, sobers, and humbles me even more. Even though we had on the surface "only" a work-related and virtual relationship across the miles, Tracy's life touched me profoundly, and I broke out in tears when her supervisor informed me of her death. Oh, so difficult to convey in a virtual testimony, but Tracy's life touched mine profoundly and personally, and I treasure the stack of correspondence I have from her, and the Top Performers list I issue on Fridays on behalf of our Vice President will never be the same and will be a noticeably empty spot. It grieves even me deeply from far away in Chicago, and we so deeply offer our condolences, sympathy, and love to her family-- Tracy will be genuinely be missed, and I don't seem adequately to be able to convey that genuine truth. No longer will I receive any administrative e-mails from her, and no longer will I review her exemplary service visits, which always brought profound gratitude to our hearts, especially mine. I am personally saddened and grieved more than I can adequately express here--how could she have touched my heart so much from so far away? I am so deeply saddened for her family and loved ones, and Tracy made her profound mark on Signature Retail Services, and our Arkansas service will never be the same.

“ *I cannot begin to tell you all how very sorry I am. My heart is broken for all of you! Tracy was a very sweet person and although I didn't know her outside of work, I've spent a lot of time working and rooming with her. I will never forget her and how much she loved her family!! She had a silly sense of humor and stubborn as a mule! She was also fiercely independent and that was quite admirable!! I will not forget all the conversations and stories we shared over the years and I will never forget you Tracy! RIP*
